To Whom It May Concern:

I am pleased to recommend **Employmentskiptracing.com**. We have worked with Steve and Employmentskiptracing.com since June 2010. They do a great job of providing cost effective, timely, and accurate employment information on collection accounts. Since we started with them they have found verified places of employment on 12.6% of the debtors submitted to them. They are a great source of employment information, which is the lifeblood of any judgment collection business.

If you have any questions, please feel free to call me at (206) 340-4700.

Sincerely,
Stuart J. Sinsheimer
