TO WHOM IT MAY CONCERN:

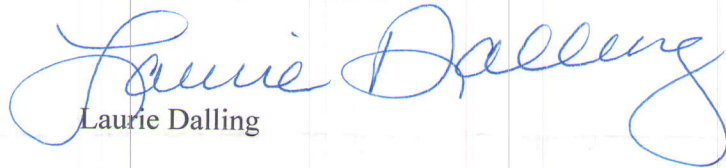

Our law firm has been using the services of [Employmentskiptracing.com](http://Employmentskiptracing.com) for almost a year. We have found them to be cost effective with great results in obtaining employment information on our judgment debtors. We have judgments against debtors where other businesses have not been able to find garnishment information, and [Employmentskiptracing.com](http://Employmentskiptracing.com) has been successful.

We would highly recommend their services to anyone looking for a skip tracing company to assist them in their collection efforts.

If you have any questions, please do not hesitate to contact me personally.

Sincerely,

DALLING & DALLING

  
Laurie Dalling
