To Whom It May Concern,

It is my pleasure to recommend Steve Singer and Employment Skiptracing. Com for the high quality service he continually provides.

Our firm as Judgment Creditors, have used Steve's service for the past six years. We continually receive usable POE's at a great price.

Steve is very easy to work with additionally. There is never a lag in his getting back to us, and I usually reach him immediately. His site is very user friendly. If you are looking for an excellent search firm, you will have found it with his service.

Thank you,
