To Whom It May Concern:

Our firm has been working with Steve Singer using the services of Employmentskiptracing.com for a number of years. They have provided us with cost effective, quick and efficient employment information regarding our judgment debtors. The website has proven to be easy to use and successful in both quantity and quality of employment hits that they provide.

We have been very pleased with the service and without hesitation, I highly recommend Employmentskiptracing.com to any possible client looking to find a reputable company for their ship tracing needs.

Please feel free to contact our office with any questions you may have.

Cordially,

Ralph E. Lewis II
