Dear Steven:

We have worked with your company for several years now and have been very satisfied with your consistency. I can always count on you to deliver regular hits to us each Friday.

NHA is a firm that depends on quality employment verification information to sustain its successful operation and we value your efforts.

There are three things we look for in a verification company:

1. Consistency
2. Quality Hits
3. A company that stands by their data

You meet all these requirements and more. In fact, you are the most consistent with the number of verifications per week. We rarely have to request a refund and you go the extra step of providing the registered agent.

We appreciate all you do to make our job easier!

Sincerely,

Carrie Nelson
